## HTML5 Banners - Design / Dev / Animation / QA

### SUMMARY

Designer. Developer. Creative. Coder. Nerd. I am always on the lookout for future forward web work, motion graphics gigs, or interesting interactive initiatives.

Google DoubleClick Rich Media Certified Ad Developer. Badges: Google DoubleClick HTML5 Certified, DoubleClick Rich Media Fundamentals, Dynamic Creative Badge, QA Studio Certification, Google Web Designer (GWD) Certified, YouTube Masthead Certified.

### WORK EXPERIENCE

#### Will Nerd For Food

Freelance Brand 2013 – Current

#### OWNER / PRINCIPAL

100% off-site freelance work for various clients and agencies world-wide with a focus on DoubleClick rich media banners (design, development, testing/QA, and consulting) using google web designer (GWD). Other project work I consider is any motion graphics / animation work using Adobe Animate, or After Effects.

### EDUCATION

#### Academy College

Bloomington, MN

**Associate of Applied Science in Web Design and Development** (Summa Cum Laude)

**Bachelor's of Digital Arts & Design**

### HTML5 Banner Samples

**LootCrate** (concept, design, dev, animation, QA)
